

SNAP

ROSA LINN

It's 4 AM

I can't turn my head off

Wishing these memories would fade

They never do

Turns out **people** lied

They said, **"Just snap your fingers"**

As if it was really that easy for me to get over you

I just need time

Snapping one, **two**

Where are you?

You're still in my heart

Snapping three, four

Don't need you here anymore

Get out of my heart

'Cause I might snap

I'm writing a song

Said, "This is the last one"

How many last songs are left?

I'm losing count

Since June 22nd

My heart's been on fire

I've been spending my nights in the rain

Trying to put it out

1

2

So I'm snapping **one**, two
Where are you?

You're still in my heart

Snapping three, four

Don't need you here anymore

Get out of my heart

'Cause I might snap

'Cause I might snap

And if one more person says, "You should get over it"

Oh, **I might stop talking** to people before I snap, snap, snap

Oh, I might stop talking to people before I snap

Snapping one, two

Where are you?

You're still in my heart

Snapping three, four

Don't need you here anymore

Get out of my heart

'Cause I might snap, I might snap

'Cause I might snap, I might snap

Get out of my heart

'Cause I might snap

Get out of my heart

'Cause I might snap
