When the world is ..... than I can understand

When ..... turns out the way I planned

When the ..... turns gray and there's no end in sight

When I can't sleep through the ..... night

I turn to you

Like a ..... leaning toward the sun

I turn to you

'Cause you're the only one

Who ..... turn me around

When I'm upside.....

I turn to you

When my insides are wrecked with anxiety

You have the ..... that will quiet me

You ..... my spirit, you melt the ice

When I need inspiration, when I need .....

Where would I .....?

What would I.....?

If you ..... helped me through?

I hope some day if you've ..... your way

You can turn to me (you can turn to me)

..... I turn to you
