TAYLOR SWIFT

## COMPLETE THE GAPS

Baby love, I think I've been a \_\_\_\_\_ too kind  
Didn't notice you walking all \_\_\_\_\_ my peace of mind  
In the \_\_\_\_\_ I gave you as a present  
Puttin' someone \_\_\_\_\_ only works when you're in \_\_\_\_\_ top five  
And \_\_\_\_\_ the way, I'm going \_\_\_\_\_ tonight

## MATCH

Best believe  
When I walk  
I can still make  
And when  
They ask  
I can still say  
Familiarity  
Don't put me  
When I want  
Diamonds  
I polish up real

I polish up real nice  
breeds contempt  
in the room  
the whole place shimmer  
the pent house of your heart  
Do you have a man?  
in the basement  
I'm still bejeweled  
I meet the band  
I don't remember  
in my eyes

*nice!*
