Future Clothes

I think clothes in the future will be so _____ ! I think we will have _____ that are made from things we can _____ like old clothes and plastic _____. We will also have clothes that are made from things that grow fast like _____ and mushrooms. That way, we won't hurt the _____ when we make clothes.

I also think that our clothes will be really _____! We will have clothes that can change _____ and design depending on our mood. If we are _____, our clothes might turn yellow or pink. If we're sad, they might turn blue or _____. We will also have clothes that can keep us _____ or cool depending on the weather. That way, we will always be comfortable.

Lastly, I think we will wear clothes that look like It is from the past. We will have clothes that look like It is from the 60s, 70s, and 80s! But we'll also have new clothes that _____ has ever seen before. They'll have really cool _____ and patterns. I can't wait to _____ what the future will hold for fashion!
