Read the advertisements (A-C) and the questions (1-4) below. For each question, choose the right advert and write the appropriate letter in the box next to it. One of the adverts matches two questions.

# KANGAROO ISLAND

## CONSERVATION

**A**

**Western Kangaroo Island Marine Park** is a fantastic place for nature lovers. Come diving in our beautiful waters, where you can see dolphins, seals and even whales! What's more, the area is great for birdwatching and also contains some unique natural rock structures that can't be found anywhere else on Earth!

**B**

### **Seal Bay Conservation Park**

is the only place in Australia where you can see Australian sea lions up close! This protected species is in danger of extinction so don't miss this rare chance to view them. Our tours will take you to the beach where you can take photographs of these beautiful creatures. Afterwards, you can relax in our picnic area or walk to the nearby lookout point to enjoy the scenery.

**C**

### **Kelly Hill Conservation Park**

contains some of Australia's most impressive caves. Come explore this magical underground world with our experienced tour guides! You can also enjoy hiking along our many trails, including the 18km Hansen Bay Hike that takes you through the beautiful countryside towards the coast.

Which park is best for someone who

1 wants to see an endangered animal? \_\_\_\_\_

2 enjoys swimming with wildlife? \_\_\_\_\_

3 likes going for long walks? \_\_\_\_\_

4 wants to have lunch outdoors? \_\_\_\_\_
