Read the following passage and choose the correct answer A, B, C or D. (4 pts)

Television is one of man's most important means of communication. It brings events and sounds from around the world into millions of homes. A person with a television set can sit in his house and watch the president making a speech or visit a foreign country. He can see a war being fought and watch statesmen try to bring about peace. Through television, home viewers can see and learn about people, places, and things in faraway lands. TV even takes its viewers out of this world. It brings them coverage of America's astronauts as the astronauts explore outer space.
In addition to all these things, television brings its viewers a steady stream of programs that are designed to entertain. In fact, TV provides many more entertainment programs than any other kind. The programs include action-packed dramas, light comedies, sporting events and motion pictures.

27. What does television bring us?
A. president making a speech
B. man's most important means of talking
