

Pocahontas

Retold by Tim Vicary

1.- Read and choose true or false

Pocahontas has blue eyes.
Pocahontas is the daughter of a king.
The English came to Virginia for a holiday.
The English call their town after their king.
The Indians lived in North America for a long time before 1607.
The Indians wanted the English to go home.
Pocahontas meets John Smith in Jamestown.

Pocahontas was interested in everything in London.
Nobody in London wanted to be Pocahontas' friend.
Queen Anne told Pocahontas that John Smith was dead.
Pocahontas was a child when John Smith went away.
She was happy when John Smith came to see her.
The cold weather in England was bad for Pocahontas.
Pocahontas died when she was an old woman.
John Smith never went to North America again.

2.- Choose the correct option

Pocahontas marries *John Smith* / *another Englishman*.
The Indians *kill* / *don't kill* John Smith.
The English and the Indians are *enemies* / *good friends*.
John Smith *stays in Virginia* / *goes back to England*.
Pocahontas *stays in Virginia* / *visits England*.
Pocahontas / *John Smith* dies when *she* / *he* is still young.
The story has *a happy* / *an unhappy* ending.

3.- Complete with: Why/who/what

... did the Indians do to the Englishmen?
... did the English take a hostage?
... did Powhatan want more – his guns or his daughter?
... did Pocahontas make friends with?
... wanted to marry Pocahontas?
... did he want to marry her?
