

4  **APPLY** Listen again. Complete the excerpts with the ways the speakers express likelihood.

- 1 In the next three or four years, _____ sending patients out of my office with recommendations to do social activities as treatment for their illnesses.
- 2 Mm-hmm... _____. There are a lot of benefits to having a good social life—I know that from my psychology course.
- 3 People _____ conventional medicine for many illnesses, but some will just need that extra boost of confidence you get from being part of something bigger.
- 4 So, _____ social prescribing in the future.
- 5 It makes sense to me, too, but _____ conventional medicine.
- 6 Well, it might sound unlikely, but more than 55 percent of the people who were interviewed in a recent survey said they would like their doctor to offer social prescribing. So, I think _____ open to the idea.
