2 Choose the best answer, A, B or C.

At home we've just got something called a 'smart meter', and it tells you exactly how much electricity you are using. I think the idea is that you **1** _____ less if you have one, but it does make life a bit more difficult. My dad keeps turning off all the lights saying we are **2** _____ electricity, but it's very hard to do your homework in the dark! Mum's the same – she thinks we can **3** _____ our heating bill if we all wear lots of warm clothes, which is probably true but is a bit annoying. Still, I am trying to teach them about the importance of **4** _____ , but they aren't very interested. I explain that you put glass in the glass bin, paper in the paper bin and plastic in the plastic bin, but they often just **5** _____ everything away into the main bin without thinking.

1	**A** save	**B** charge	**C** consume
2	**A** throwing	**B** wasting	**C** recycling
3	**A** consume	**B** reduce	**C** save
4	**A** recycling	**B** reusing	**C** reducing
5	**A** throw	**B** waste	**C** reuse
