Comprehension Passage

Read the passage carefully and answer the questions that follow.

Animals

Some animals are much faster than other animals. The fastest land animal is the cheetah, which lives mainly in Africa. It can run at over 100 kilometers per hour! Some

animals are much bigger than other animals. The blue whale is even bigger than a basketball court. Surprisingly, blue whales feed on tiny fish called krill. They can eat over 4 tonnes of krill a day. Some animals like the dolphins are known to be the most intelligent animal. They learn fast, and can see themselves in the mirror like people. Dolphins are very playful.
