A sports education

A lot of people say that you won't get a good job ¹_____ you get a university degree. But in fact, that's not true. Steve Jobs never finished his university education and Abraham Lincoln didn't even finish school! Nowadays, people who are interested in sport, like I am, have plenty of other options. A good education is important, however, and one thing is for sure: ²_____ you study hard at school, you won't regret it.

I'm quite lucky because I know exactly what I want to do. ³_____ I finish school with good grades in Physical Education, I'll go to a sports academy in Berlin and I'll train to become a basketball coach ⁴_____ I get there. I won't need to get a degree, but I will need to study for a special diploma in Sports Science and Psychology ⁵_____ I become qualified. What next? Well, ⁶_____ I finish my training, I will get a job with a successful basketball team.
