

Complete the text with the words from the box.

seven o'clock ~~half~~ quarter past

I've got a dog called Marmalade. I take her for a walk every day at ¹ half past four. We walk along the river in the park next to our house. We get home at five ² _____. I help Dad cook the dinner and at ³ _____ to six we eat. At half ⁴ _____ six Mum washes up and I dry the dishes. Do you know what Marmalade does? She waits by the back door. I say, "What do you want, Marmalade?" I know what she wants – another walk! "We can't go now," I say, "it's almost ⁵ _____ o'clock!"

3 Write the times.

1 It's quarter past two.

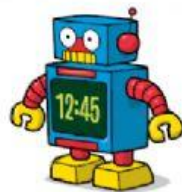

2 _____

3 _____

4 _____

5 _____

6 _____
