You Belong With Me – Taylor Swift

You're on the phone with your _____, she's _____
She's _____ about something that you said
'Cause she doesn't get your humor like I do
I'm in my room, it's a _____ Tuesday night
I'm listening to the _____ of music she doesn't like
And she'll never know your story like I do

But she wears _____, I wear t-shirts
She's cheer captain and I'm on the _____
Dreaming about the day when you wake up and _____
That what you're looking for has been here the _____ time

If you could see that I'm the one who understands you
Been here _____, so why can't you see?
You belong with me
You belong with me

Walking in the streets with you and your _____ jeans
I can't help thinking this is how it ought to be
Laughing on a park _____ thinking to myself
Hey, isn't this easy?

And you've got a smile that could _____ this whole town
I haven't seen it in a while since she _____ you down
You say you're fine, I know you better than that
Hey, what you doing with a girl like that?

She wears high _____, I wear sneakers
She's cheer captain and I'm on the bleachers
Dreaming about the day when you wake up and find
That what you're looking for has been here the whole time

If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You belong with me

Standing by and waiting at your _____
All this time how could you not know, baby?
You belong with me
You belong with me

Oh, I remember you driving to my house
In the middle of the night
I'm the one who makes you _____
When you know you're about to cry

I know your favorite songs
And you tell me about your dreams
Think I know where you belong _____ I know it's with me

Can't you see that I'm the one who understands you?
Been here all along, so why can't you see?
You belong with me

Standing by and waiting at your backdoor
All this time how could you not know, baby?
You belong with me
You belong with me

You belong with me
Have you ever _____ just maybe
You belong with me
You belong with me
