## My birthday

- 1 Read about Polina. What does she cook for her birthday?

My name is Polina. I'm from Mykolaiv. Today is the best day of the year! It's my birthday! I'm 8 years old now.

At 3 o'clock I have my birthday party. I make a chocolate cake with my mother. We make a fruit salad too.

My dad is in the shop now. He is buying pineapple juice, apples, oranges and bananas for the party.

It's 3 o'clock now. I'm wearing my best dress. My friends and I are drinking tea, eating sweets and watching cartoons.

- 2 What does Polina need for her birthday party? Look, circle and say.

- 3 What do you cook for your birthday party? Draw and tell the class.
