Label each continent using the word bank.

A world map with colored continents and empty boxes for labeling. The continents are: North America (pink), South America (orange), Africa (green), Europe (brown), Asia (yellow), Australia (light pink), and Antarctica (grey). Arrows point from each continent to an empty box. Below the map is a word bank box containing the names of the continents.

Africa North America South America Australia Antarctica Asia Europe

Label each ocean using the word bank

A world map with empty boxes for labeling the oceans. The oceans are: Arctic Ocean (top), Atlantic Ocean (left), Indian Ocean (bottom right), Pacific Ocean (right), and Southern Ocean (bottom). Arrows point from each ocean to an empty box. To the right is a word bank box containing the names of the oceans.
