Mamba and her brother, Beanie, spent the entire day playing. They're hungry after all of their adventures together! Mamba decides she'll make peanut butter and jelly sandwiches for dinner.

First, she gets out a knife, a plate, bread, peanut butter, and jelly. Next, she spreads the peanut butter onto one slice of bread. Then, Mamba spreads the jelly onto the other slice of bread. Lastly, she puts the two slices together. She repeats these steps again to make another sandwich for her brother. Mamba and Beanie enjoyed their dinner together after a long day of play.

- _____ Mamba and Beanie play for the entire day.
- _____ Mamba spreads jelly onto one slice of bread.
- _____ Mamba and Beanie eat dinner together.
- _____ Mamba makes a sandwich for Beanie.
- _____ Mamba decides to make sandwiches for dinner.
- _____ Mamba spreads the peanut butter onto one slice of bread.
