

You are walking in the street and suddenly a woman asks you some questions about your life for the breaking news about COVID -19

1. Complete the sentences with the correct grammar structure of present perfect tense for **positive** sentences.

INTERVIEWER: Hi, today we are asking people some information about their lives during this quarantine.
Have you done something new during the last 3 months?

YOU: Yes, I _____ (do) a lot of new things, for example Origami's technique has been totally new and entertaining at home.

INTERVIEWER: Wow! So, you're feeling blue during these months.
Have you gone to the supermarket this week?

YOU: Sure! I _____ (go) to the supermarket this week, it was my turn to buy groceries.

INTERVIEWER: Great! I can see that you bought a lot of fruits and vegetables.
Have you changed your diet the last months?

YOU: Definitely, I _____ (change) my diet, nowadays our bodies need to keep strong and healthy to fight against the virus.

INTERVIEWER: You're right. And talking about health...
Have you worked out at home?

YOU: Well, I'm trying my best. I _____ (work) out at home with some boxing classes I've found on YouTube!

INTERVIEWER: That was all, thanks for your time! Bye!
