Dad wanted to go there so, one afternoon, he decided to borrow a boat from someone at the hotel. We took a picnic and a few blankets and were sailing to the island when, suddenly, it got very foggy. We sat on some large stones on the beach and ate our sandwiches, which were still dry because they were in Mum's rucksack. But then a storm came and it started to get dark. We found a (3) ..... between some rocks. It was a cave, so we went inside. Mum had a torch with her so we could still see. Dad put the blankets on the ground and that's where we slept all night. It was frightening because we could hear strange noises. Mum said it was only (4) ..... and other small creatures, which were living there. That didn't really make me feel better!

The next day an (5) ..... ship full of people arrived on the island and our adventure was over!
