PROJECT

Work in groups. Make a poster about your favourite sport. Use the questions to help you.

Around the world

- Where is it popular?
- The players/sports stars
- Is it a team sport? How many players have teams got?
- Who are your favourite players/sports stars?
- Your country
- Who are the top players in your country?
- Is your national team good?

Baseball

This sport is popular in the USA, Canada, Japan and Cuba.

Baseball is a team sport, with nine players in each team.

The top baseball players are from the USA. My favourite players are Albert Pujols and Joe Mauer.

My country hasn't got a national baseball team but people can watch it on TV.
