I had to learn all the words **by heart** before the exam.

I see you have a lot of bags. Can I **give you a hand**?

Kate needs to go out with some friends and **let her hair down**.

I have my final exam tomorrow. **Keep your fingers crossed** for me!

Tell me what happened – I'm **all ears**.

a very annoying person

from memory

help

hope that everything will go well

ready to listen

relax and have fun

very nervous

without my knowledge

Write a short description about a chosen part of the body in pairs, including the following aspects:

- anatomical position;
- function;
- possible injuries (how we might hurt the chosen body part);
- health maintenance (how to keep the chosen body part healthy).
