Trip to Kenjeran Beach

Last month my family and I went to Kenjeran Beach for a vacation. First, we took a tourism bus to go there. We left at 7 o'clock in the morning. The trip took about 4 hours and we arrived there at 11 a.m.

After we arrived there, we walked down to the beach. It was a nice sunny day with a blue sky and the wind breeze. I saw a lot of people doing their activities there such as fishing and horseracing. The waves were suitable for swimming, but I didn't swim because I couldn't swim. I just played with the water in the shallow part. After that, we also didn't miss our opportunity here taking some picture with the background of the beautiful Kenjeran beach. Before we went home, we looked for some beautiful souvenirs there.

At last, we went home for about 4 p.m. It was a memorable experience for me and my family.
