My Days in Majapahit Hotel

By the end of December last year, I went to Surabaya alone. I booked a hotel room in Majapahit Hotel for a two-night staycation.

After arriving at the hotel at 1 in the afternoon, the staff welcomed me with welcoming cake. Then, one of them helped me bringing my bags to the room I have booked before. When I entered the room, I loved the design of the hotel room. After I admire the room, then I took a rest for a moment.

When the sun was going down, I went down and took a walk around the hotel which has beautiful scenery around. There was a cafe that was not far from my hotel. I went to the cafe and sat on one of the sofas and ordered a glass of coffee. Then, I spent some time taking some selfies with my camera. After I saw the sunset view, I went back to the hotel.

Staycation was my way to give myself a quality me-time among the busy routines.
