AT THE MALL

Are you and your friends going to go to the mall this weekend? Many people are. Most cities in the world have big shopping malls, also called shopping centers. There is a mall in Dubai that has 1.200 stores. There is a fish tank that you can swim in with real sharks. You can even ice skate there, too! Malls are not a new invention. For example, Trajan's market is from Ancient Rome! And there is a very old mall where people can shop called the Grand Bazaar in Istanbul, Turkey. It's from the year 1461. Today, families got to the malls because they can do all their shopping in one place. There are all kinds of stores in a mall: supermarkets, hair salons, pet stores, bookstores, food courts, and even arcades for children to play.
