## Fill in the missing words:

- 1) We are here to break things \_\_\_\_\_ into easily understood language.
- 2) If you \_\_\_\_\_ copyright, it's called copyright infringement.
- 3) And you may face \_\_\_\_\_ consequences such as lawsuits or criminal charges.
- 4) The \_\_\_\_\_ majority of movies music, books, photos and other types of popular media are protected by copyright.
- 5) However, the duration of a copyright can \_\_\_\_\_ due to its publication date and ever-changing copyright laws.
- 6) Content in the public domain can be used, \_\_\_\_\_ and published without permission or restriction.
- 7) This includes all works published \_\_\_\_\_ to 1923 as well as works with expired copyrights.
- 8) Fair use allows you to use \_\_\_\_\_ portions of copyrighted works without permission for certain types of use such as criticism, teaching or news reporting.
- 9) However, \_\_\_\_\_ use can get tricky, for instance, you may not be able to \_\_\_\_\_ fair use if you use the copyrighted work for a commercial purpose or take too much of it.
