Go to Sleep Gecko

Story worksheet

Read the story summary and answer the questions

In the rainforest, Gecko goes to Elephant and asks him for help.

Gecko cannot sleep because fireflies keep turning their lights on and off... on and off.

So, he asks Elephant to tell the fireflies to stop.

Elephant visits the fireflies and asks them to stop.

The fireflies cannot stop because people will fall in holes that Rain made in the road.

Elephant visits Rain and asks him to stop.

Rain cannot stop making water holes in the road because then mosquitos don't have a home.

If mosquitoes don't have a home, then Gecko cannot eat the mosquitoes. Gecko will be hungry.

Elephant tells Gecko he has to accept the fireflies since everything is connected.

Gecko accepts the fireflies and goes to sleep.

Answer the Questions

1. Who are the characters in the story?

A. Fireflies, Rain, Elephant, and Gecko

B. Puddles, Elephant, mosquito, and Gecko

C. Rain, Elephant, Gecko, and Mosquito
