Answer the questions (9-10) according to the text below.

MUSIC – More than A Sound!

Do you think music is only for fun? If your answer is "Yes", you are wrong because it's good for our brains and bodies, too. At some hospitals, doctors make their patients and their relatives listen to music because doctors believe it helps ill people get better. Moreover, music helps us learn. Scientists say that if you listen to music, you can learn better. But only relaxing music helps. Loud rap or rock music aren't any good at all. On the other hand, animals also like music. For example, cows give more milk when the music is playing. So, farmers make them listen to Beethoven or Mozart to get more milk. Music is in every part of our life. Stay with music!

9. Why do doctors play music at hospital?

- A) Students are learning better thanks to music.
- B) They think music is just for fun.
- C) Rock music helps ill people get better.
- D) In their opinion, it helps people get well.

10. Thanks to classical music, - - - .

- A) cows give more milk
- B) farmers feel relaxed while working
- C) farmers prefer listening to rap music
- D) people don't need any milk
