I'm Walter and I'm an English teacher. I conducted a survey to learn how my students study at home. The results made me feel worried because most of the students told that they check their mobile phones and social networking accounts very often while studying. It can disturb their concentration. On the other hand, many students are fond of watching foreign series on the Net. It also affects the time they spend while studying for exams in a bad way. I advise the students that they shouldn't use their mobile phones during the study time and they must set a time limit to use the Internet.

The teacher warns his students about - - - .

- A) the Internet safety rules
- B) the bad effects of technology on studying
- C) being more successful
- D) obeying the classroom rules

Hi! I'm Martin. I have been working as a taxi driver for 15 years. In the past, our job was more difficult, but now, it's easier. We have more comfortable and faster cars. The technology has also made our job easier. I usually use map applications to check the traffic jam. So, I can easily find the location and reach there faster. Moreover, thanks to some "call taxi applications", customers can easily reach us.

Why does Martin use the map application?

- A) He has a more comfortable car.
- B) The technology has changed things negatively.
- C) He gains time in the traffic thanks to it.
- D) Customers call him easily.

In my family, everyone uses the Internet except my father, Jack. My mother, Sarah usually follows her friends on social media. She also chats with them. My little brother, Max is fond of playing online games. My sister, Liz uses it to make new friends. She sometimes meets them. However, I'm not interested in spending time on the Net. I log on the Internet just for searching for information.

Who does NOT obey the Internet safety rules?

- A) Jack
- B) Sarah
- C) Max
- D) Liz
