The perfect hobby

It's good to have hobbies. But some hobbies also pay!

Ali Nichols finishes school at three o'clock. But she doesn't go home and do her homework. She immediately goes to her neighbours' house. Her neighbours aren't there, but their three dogs are happy to see her. She takes the dogs to the park for about an hour. Then she takes them home and gives them food and water. ☐

Ali is a dogwalker. 'I haven't got a dog, but I love animals. My neighbours are at work from Monday to Friday so they pay me to look after their dogs. They don't pay me much, but I like it. One day I want to be a vet and work with animals.'

Matt Wilson is passionate about football. He plays football and he also trains young players in the sport. 'I'm an assistant coach at my local club. I go there on Tuesday and Thursday after school. We're in a league, so on Saturday we usually play in a match. We play here or we travel to another town.' ☐

The club pays Matt to coach the players, but he doesn't have much free time. After practice on Tuesday and Thursday, Matt goes home and studies. He has dinner and goes to bed late, at about half past 11. 'It's difficult, but football is my hobby. I want to be a PE teacher so this is good experience.'
