

HELLO (Adele)

_____, it's me
I was wondering if after all these years you'd like to
_____,
To go over everything
They say that time's supposed to heal ya, but I ain't
done much healing
Hello, can you _____, me?
I'm in California dreaming about who we used to
_____,
When we were younger and _____,
I've forgotten how it felt before the world fell at our
feet

There's such a _____, between us
And a million miles

Hello from the other _____,
I must've called a thousand _____,
To tell you I'm _____, for everything that I've
done
But when I call, you never seem to be _____,
Hello from the outside
At least, I can say that I've tried
To tell you I'm sorry for breaking your _____,
But it don't matter, it clearly doesn't tear you apart
_____.

Hello, _____, are you?
It's so typical of me to talk about myself, I'm sorry
I hope that you're _____,
Did you ever make it out of that town where nothing ever
_____,?

It's no secret that the both of us
Are running out of time

[Chorus]

HELLO (Adele)

Hello, it's me

I was wondering if after all these years you'd like to **meet**

To go over everything

They say that time's supposed to heal ya, but I ain't done much healing

Hello, can you **hear** me?

I'm in California dreaming about who we used to **be**

When we were younger and **free**

I've forgotten how it felt before the world fell at our feet

There's such a **difference** between us

And a million miles

Hello from the other **side**

I must've called a thousand **times**

To tell you I'm **sorry** for everything that I've done

But when I call, you never seem to be **home**

Hello from the outside

At least, I can say that I've tried

To tell you I'm sorry for breaking your **heart**

But it don't matter, it clearly doesn't tear you apart **anymore**

Hello, **how** are you?

It's so typical of me to talk about myself, I'm sorry

I hope that you're **well**

Did you ever make it out of that town where nothing ever **happened**?

It's no secret that the both of us

Are running out of time

[Chorus]
