3. Read and number.

This year my summer holiday is going to be fantastic! I'm travelling to Brazil with my family. I've got my suitcase ready. I've already packed my passport, my money and my dictionary. We're staying at a great hotel on an island. It's really cool. We're going on lots of trips and doing lots of activities. First, we're visiting the lake. If it's sunny, we'll go sailing on the lake. The next day we're going snorkelling on the reef to see all the fish. The day after, we're going on a boat trip to see an amazing waterfall. Then, for the last two days we're visiting the rainforest. If we're lucky we'll see some incredible animals there!
