

# MADNI HIGH SCHOOL

骆驼 Match the camel's body parts with the numbers ☺

- 1 A **hump** on the camel's back
2. Long, tick **eyelashes**
3. **Nostrils** that can open and close
4. A though, leathery **mouth**
5. Tough, leathery **knee pads**
6. **Webbed feet** with two toes.

骆驼 Now match the numbers with the adaptations ☺

- \_\_\_ These help the camel to kneel on the hot sand
- \_\_\_ These protect the camel eyes from the sand and the sun
- \_\_\_ These prevent the camel from breathing in sand
- \_\_\_ These prevent the camel from sking in the sand
- \_\_\_ This help the camel to have nutrients for a long time
- \_\_\_ This helps the camel to chew tough, thorny plants.
