

Hello kids! My name is Stitch.

I am a baby! I am two years old. I am dark blue and light blue and I am very cool and cute.

My family **isn't** big. I live with my best friend and her sister. We live in a really big house next to the beach.

There are three bedrooms in my house. The bedrooms are veeeeery big. There is a small kitchen where I cook dinner for my best friend. There **isn't** a dining room in the house.

My favourite part of the house is the garden because I can play with my toys. In the garden we plant beautiful flowers. My best friend likes flowers. She smells the flowers in spring. There is a swimming pool in the garden, but I **can't** swim 😞.

Look at my house. Do you like it?
