

BIWEEKLY EXAM

What's this? Write the words on the lines.

Example

We use this to make small things like keys and big things like bridges because it's very strong.

metal

- 1 This comes from trees. It's hard but you can cut it and make things like shelves or bookcases with it.
- 2 This comes from animals like sheep. Rugs and warm clothes like scarves and sweaters are made with it.
- 3 You can write or draw on pieces of this. It's usually made from trees and is flat and often white.
- 4 Expensive rings, necklaces and bracelets are sometimes made of this. Crowns too!
- 5 You can see through this so we use it to make things like windows, but did you know it's made from sand?

F Read about glass. Choose the right words and write them on the lines.

Glass isn't new. People were making glass bowls and bottles more than 5,000

1 years , actually. But no one has ever found out who made glass first, or

2 when and where that

3 One story tells that some men from a ship arrived on a beach and decided

4 to make a meal. They made a fire on the sand and some small rocks

5 and stones in the middle of the fire to cook on. The fire burned a very long time and the rocks and stones got really hot. Parts of the rock and some of the

6 stones began with the sand to make glass!

7 So next time you look through a window, look at a mirror

8 are holding a glass of water, think, 'Wow! This glass is made from very, very hot sand!'
