I like eating meals with my family and friends. In the morning, I always have breakfast with my sister. We have cereal with milk, then toast and jam. I sometimes drink a glass of orange juice.

I have lunch at school with my friends. There's always some hot food, but I sometimes have sandwiches and some salad. I like tomatoes and lettuce, but I never eat cucumber.

In the evening, I eat with my family. My grandma always cooks dinner. She makes delicious chicken curries. When it's my birthday, grandma asks me, "What would you like to eat?" I always say, "Fish and chips, please". It's my favourite dish.

Sam

In the morning, I always get up late so I don't have time for breakfast. I sometimes buy some juice and some cookies and have breakfast on my way to school.

At lunch time, my friends and I sometimes go to Mc Donald's and eat a hamburger, some fries and a glass of coke. My mother doesn't like it because she says it's not healthy food.

In the evening, my mum always cooks dinner. We always have some vegetables, we sometimes have meat or chicken but we never eat pasta or fish because we don't like it. I always have some fruit. I love fruit!
