
Let It Go

The snow glows white on the mountain tonight
…… a footprint to be seen
A kingdom of isolation
And it looks like I'm the ……..……
The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I tried

……. let them in, ……..….. let them see
Be the good girl you ….…….. have to be
Conceal, ……..feel, ……..….. let them know
Well, now they know

Let it go, let it go
……..hold it back anymore
Let it go, let it go
…….…..… away and …… the door
I don't care
What they're going to say
Let the …….. rage on
The cold ……. bothered me anyway

It's ……. how some distance
Makes everything seem ……..……..
And the fears that once controlled …….
Can't get to me at all

It's time to see what I can do
To test the ……..….. and break through
No right, no wrong, no rules for me
I'm ……..…..

Let it go, let it go
I am one with the …… and sky
Let it go, let it go
You'll never see me ……..
Here I stand and here I'll stay
Let the …….. rage on

My power flurries through the air into the ground
My …….. is spiraling in frozen fractals all around
And one thought crystallizes …….. an icy blast
I'm never going back, the past is in the ……..

Let it go, let it go
And I'll ……..…… like the break of dawn
Let it go, let it go
That …….. girl is gone
…….I stand in the light of day
Let the storm rage on
The cold never bothered me anyway
