- **At least 50-60 words**
- **Include regular and irregular verbs**

WHAT HAPPENED TO CARLOS?

Three days ago Carlos worked in his room. He was happy and didn't want to stop working. Suddenly, he heard a strange noise coming from the basement. He was really scared. He stood up and quietly walked towards the door. He heard another noise down in the basement so he decided to go and check. When he opened the basement door...
