UNIT 3 REVIEW

Jane and Rob are talking about their plans after graduation. Select the correct conjugation of the verbs.

Jane: Hey, What _____ after graduation?

Rob: Well, I want to travel to Europe.

_____ get a good job?

Jane: Yes, and I _____ some money.

What about you?

Rob: I'd like to be in a band.

My sister _____ sing and I

_____ play the guitar.

Jane: Sounds great.

Read the next description. Select the correct word to complete the text.

This is a dolphin. It's a big gray animal. It **lives / live** in the sea and **eat / eats** fish. It **have / has** a long nose and it **has / have** small teeth. It **doesn't / don't** have legs, because it **has / have** a tail and flipper. It is **bigger / more big** than a fish, but it is more **small / smaller** than a whale.

It is one of the **most intelligent / intelligentest** animals.

Mariana is writing her friend about food habits in Mexico. Read and select the correct word.

Dear, Katya.

I'm happy to hear from you. I received your e-mail and I want to tell you about food here in Mexico. As you know, a very common dish is tacos. Mexican **love / loves** eating tacos. They are easy to cook. All you need is **any / some** meat and tortillas. Another traditional dish is the Mole. People eat Mole in special days, for example birthdays. There aren't **some / any** restaurants of mole, because grandmothers cook it at home. My family **doesn't like / don't like** spicy mole, so my grandma add **a / some** sugar to make it sweet. Would you like **some / any** mole? What do people love **eating / eat** in your country?
