The shops are full and the are pretty.

We to look cool whatever the weather.

We want to have fun and spend time together.

We want to shorts, sandals and a top.

We want the sun to shine and the rain to stop.

We want to visit the planetarium and learn about the stars.

We to discover the universe and "land" of Mars!

We want to visit a gallery and see art.

We want to learn about right from the start.

We want to see wax figures from the past.

Sports heroes and superstars- what a blast!

We want to travel in a capsule on the

And get a view of the from way up high.
