4, Read and choose the correct answer.

My family just adopted a puppy and a kitten from the animal shelter. A puppy is a baby dog and a kitten is a baby cat. They were so young, they did not even have names yet. We had to think of good names for them.

The puppy has a big smile. The kitten has soft, brown fur.

"What do you want to name them?" asked Mom.

My sister said, "Happy for the puppy and Caramel for the kitten."

We all thought those names were perfect.
