3

Listen to these teenagers talking about the music they listen to. Fill in the gaps

ROSIE: I like listening to if it has a then I will listen to it. Both my parents listen to , but I don't like it because I think it's boring.

JOSIAH: I love listening to My nan says it's horrible, but she listens to and I think that's Me and my friends love going to concerts, we go all the time. We're even going next weekend.

LOLA: I like listening to rap and pop music as it is and My mum doesn't like it, she thinks it's

JAMIE: My favourite type of music is pop music. I really like to listen to pop because it is fun and

ROSIE: When I was I listened to children's music, and I often danced around. My little dances to that music. She looks funny!

JOSIAH: When I was younger, I played the guitar, but However, I do sometimes write my own songs.

LOLA: When I was younger, I never really listened to music. I can only sing pop as I can't do rap. I to Ariana Grande.

JAMIE: When I was younger, I listened to rock music, but I don't like it any more. My mum listens to but I don't like it, it's really loud. [Sings, "Aaah!"]

4
