MY FLIGHT TO CANADA

Change the text in past tense.

Last month is very special. I fly by myself for the first time! I am a little nervous but it is exciting. First, I take a taxi to the international airport terminal. Then, I wait in the departure lounge for about 25 minutes before I get on the plane.

After I board the plane, I walk long the aisle and find my seat. Then, I sit down and fasten my seatbelt. I am lucky because my seat is a window seat, so I can look outside as the plane takes off. After a few hours, I talk to the passenger next to me.

His name is Eduardo and I am surprised to find out that he is also travelling to Vancouver to study English for the summer. Finally, I watch an action movie and then our plane lands soon after that. I have a wonderful time in Canada. It is really fun and I make lots of new friends form all over the word.
