

LISTEN TO THE SONG AND CHOOSE THE MISSING WORDS

Where's my ?

It isn't here.

I can't find my skateboard.

Oh, dear! Oh, dear!

The is in the cupboard, keep looking.

The is in the cupboard, keep looking.

*Look on, look in, look under things
to find my skateboard, too!*

The is on the shelf, keep looking.

The is on the shelf, keep looking.

*Look on, look in, look under things
to find my skateboard, too!*

The is under the table, keep looking.

The is under the chair, keep looking.

*Look on, look in, look under things
to find my skateboard, too!*
