"Heal The World"

There's a place in your heart
And I _____ that it is love
And this place
could be much _____ than
tomorrow

And if you really try
You'll find there's no need to _____
In this place
you'll feel there's no hurt or sorrow

There are _____ to get there
If you care enough for the living
Make a little space
Make a better place

Chorus
Heal the world
Make it a _____ place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me

If you want to know why
There's a love that cannot lie
Love is _____
It only cares for joyful giving

If we try we shall see
In this bliss we cannot feel
Fear or dread
We stop existing and start _____

Then it feels that always
Love's enough for us growing
So make a better world
Make a better world

Chorus

And the dream we were conceived in
Will reveal a joyful face
And the world we once believed in
Will shine again in grace

Then why do we keep strangling life
Wound this earth, crucify its soul
Though it's plain to see
This world is heavenly
Be God's glow

rap solo

We could _____ so high
Let our spirits never die
In my heart I feel you are all my
brothers

Create a world with no fear
Together we'll cry _____ tears
See the nations turn their swords into
plowshares

We could _____ get there
If you cared enough for the living
Make a little space
To make a better place

Chorus
