

# MOOSE

MATCH THE PICTURES WITH THE STORY

His father was asleep like this:  
ZZZZZ, ZZZZZ, ZZZZZ, ZZZZZ.

Luke said very quietly, "DADDY".

Luke said a little louder,  
"DAAADDY!".

One Saturday Luke woke up very early  
and walked into his backyard; there  
was a large, enormous moose.

Luke looked at that animal and yelled,  
"MOOOOSE!"

The moose came down on Luke's mother.

The moose came down on top Luke's father

He jumped out of bed and yelled,  
"What's the matter? What's the  
matter? What's the matter?".

"In our back yard", said Luke,  
"there is a large, enormous  
**MOOSE**".

"This is crazy", said the father

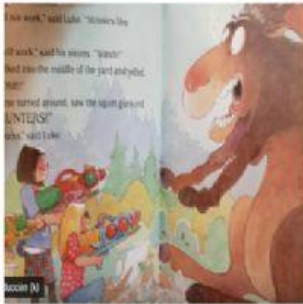

Luke's mother didn't wake up, so he  
took off his hat and whapped her on the  
head.

"A large, enormous moose!"

"Don't be silly!", said his mother

Luke's three sisters had squirt guns.  
The moose turned around, saw the  
squirt guns and yelled: "HUNTERS!"

He ran into the kitchen, opened the refrigerator  
and got out three big orange carrots.

The moose ate another carrot
