The moose came down on top Luke's father

He jumped out of bed and yelled, "What's the matter? What's the matter? What's the matter?"

"In our back yard", said Luke, "there is a large, enormous MOOSE".

"This is crazy", said the father

Luke's mother didn't wake up, so he took off his hat and whapped her on the head.

"A large, enormous moose!"

"Don't be silly!", said his mother

He ran into the kitchen, opened the refrigerator
