

SELFIES – a video lesson

<https://vimeo.com/275746180>

1- Watch a short video about selfies. Choose the best title.

- Why I like selfies
- Why people take selfies
- The problem with selfies

2- Choose the correct options to complete the sentences from the video. Use your intuition!

- a We care less about that person and more **about [have / having]** that picture on our phone.
- b So many people come up to me **without** even **[know / knowing]** my name and what I do, and all they want is a selfie.
- c When instead **of [say / saying]** "Hi, how are you?", we say "Selfie, please!", we have a problem.

3- Then complete the rule. Use video 2 below.

Rule: If a verb follows a preposition (*about, of, without* etc.), we use the _____ form.

4- Complete questions a-h with the correct form of the verbs. Notice which prepositions follow which adjectives / nouns / verbs.

choose delete make post see take (x2) use

- a Do you know anyone who **is addicted to** _____ selfies? In your opinion, is that a problem?
- b Do you ever **get tired of** _____ other people's selfies on social media?
- c Are there any places where people should **be banned from** _____ selfies?
- d Do you think selfies are **a good way of** _____ people feel happier?
- e Have you ever **thought about** _____ a selfie after you posted it because it didn't get enough likes?
- f How do you **feel about** _____ editing software to make your selfies look better?
- g How many selfies do you take **before** _____ one to post online?
- h Have you ever had a negative experience **after** _____ a selfie online? (e.g. bullying)
