BONDI BEACH

AUS

Sydney, New South Wales, Australia

More than just golden sands and clear turquoise waters, Bondi is also the home of Australian surf lifesaving

Hi Scott,
Greetings ... Australia. We're staying ... a fantastic hotel next ... the beach. The weather is amazing. In the morning we go swimming, then ... the evenings we try local food. It's delicious.
Right now I'm sitting ... the swimming pool and eating ice cream! My sister's sunbathing. My dad and brother ... making a sandcastle. We're all having a great time! Hope you're OK. See ... soon.
