4. Read the following passage then answer the questions.

Visitors to Palestine always want to buy a gift to take home with them. **They** have a good choice of things to buy from the shops and markets. Every craft has a different history and comes from a different place. This is because Palestine has such a long history. Visitors can visit different parts of the country or just go to a good gift shop to find all they want. In Jerusalem, visitors can watch artists paint beautiful patterns on plates, bowls and jugs. Hebron is famous for beautiful blue vases and jugs made from glass .In Bethlehem craftsmen make and sell things made from wood. They have done this for more than 1500 years and make more than a thousand different gifts. In Gaza craftsmen make furniture (tables, chairs ,etc.) from wicker (long, thin pieces of wood). It is beautiful to look at and to use.
