

CAN'T STOP THE FEELING

LISTEN AND COMPLETE THE SONG

I got this feeling inside my _____

It goes electric, wavy when I turn it on

All through my _____, all through my home

phenomenally

We're flying up, no ceiling, when we're in our zone

I got that _____ in my pocket

sunshine

Got that good soul in my feet

I feel that hot blood in my body when it drops

city

I can't take my eyes up off it

Moving so _____

bones

Room on lock the way we rock it

So don't stop

And under the _____ when everything goes
_____ to hide when I'm getting you close
When we move, well, you already know
So just imagine, just imagine, just imagine

feeling

Nothing I can see but you
When you dance, _____, dance
Feeling good, good, creeping up on you
So just dance, dance, dance

lights

magical

Come on
All those things I shouldn't do
But you dance, dance, dance
And ain't nobody _____ soon
So keep dancing

ceiling

dance

leaving

I can't stop the _____

So just dance, dance, dance

I can't stop the feeling

Nowhere

So just dance, dance, dance

Come on

Ooh, it's something _____

It's in the air, it's in my blood, it's rushing on

Don't need no reason, don't need control

I fly so high, no _____, when I'm in my zone
