

1. What did you enjoy about the lessons?
 2. What more could I do to help you achieve your goals?
 3. Which are your strongest skills? (speaking , listening, reading, writing)
 4. Which skills do you need to improve the most?
 5. Which learning modes do you like best? (working in pairs, groups, individually)
 6. How do you see your contributions to the lessons?
How well did you manage to pay attention?
How well did you do your individual tasks?
What did you do to make most of the lessons?
What did you or didn't you do to help group work?
How satisfied are you with your performance?
 7. How did you feel in the group? How do you see our group?
 8. How could you cooperate with me?
- Any other comments/messages for me:
